Art Muse *Visuals*

Art for the soul. Poetic AI visuals & soft revelations.

Hello, I'm Art Muse, a UK-based creator of poetic AI art and short films about love, longing and quiet peace. Every day I share painterly stills and living paintings with a warm, engaged community, and I love partnering with creative tools and brands to show what they can do through story and feeling.

A kiss so tender...

Lady in red.

Surrounded by beauty.

So in love

MY STYLE

Soft, romantic, painterly

Tender romance
Couples, embraces and quiet gestures of love

Golden Art Nouveau
Gilded, ornate portraits in a Klimt-like glow

Starry impressionism
Swirling Van Gogh skies, sunflowers and sea

Gothic fables & myth
Moonlit chapels, knights, gods and golden wings

Storybook whimsy
Cottages, fairies and cosy animal tales

Living paintings & short films
Stills brought gently to life, and story-led animations
